## DATATRAVELER MAX SERIES

# Unparalleled Performance

Kingston's DataTraveler® Max series USB flash drives leverage the latest USB 3.2 Gen 2 standard to deliver record-breaking read/write speeds up to 1,000/900MB/s<sup>2</sup>. Designed with portability and convenience in mind, the unique ridged casing protects the connector when not in use and is easily moved with a single motion. Available in USB Type-C<sup>®1</sup> and Type-A connections to support next-gen and traditional laptops and desktops. The DT Max series delivers premium performance and expanded capacities up to 1TB<sup>3</sup> making them the ideal solution for transferring and storing large digital files such as HD photos, 4K/8K videos, music and more.

Both the Type-C and Type-A connector varieties in the DT Max series are backed by a limited five-year warranty, free technical support and legendary Kingston reliability.

- › **Advanced USB 3.2 Gen 2 Drives**
- › **Unique ridged casing with keyring loop**
- › **Up to 1,000MB/s<sup>2</sup> read speeds**
- › **Capacities up to 1TB<sup>3</sup>**
